## ERETRIA – CROSSING PATHS

Swiss Excavations at Eretria – 50th Anniversary

1964–2014

*Swiss archaeologists have been involved in excavations at Eretria since 1964. Their discoveries and publications give an account of Eretria's rich and unique heritage. As a tribute to five decades of research, the Swiss School of Archaeology in Greece (ESAG) has organized a series of public lectures.*

Thursday May 15, 2014, 18:00
